

Get the speed you need.

HTC Inspire™ 4G*

Android™ with a fast attitude.

Ready to stay connected with incredible speed? The HTC Inspire 4G delivers – blazingly fast and brilliantly powerful. The next-generation HTC Sense platform gives you peace of mind if your phone is lost or stolen. Plus, you'll enjoy an impressive collection of features, including a large screen, powerful Snapdragon™ processor, 8MP camera with HD video recording, the latest Android OS and more in a sleek aluminum unibody frame, making the HTC Inspire the Android you've been looking for.

Let the experience take you.

Wait for nothing. Faster speed.

The nation's fastest mobile broadband network** is getting faster with 4G.* HTC Inspire 4G will speed you through work and play. Download large files, upload images or stream live HDTV – all at lightning speeds.

Talk and surf.

With AT&T's Simultaneous Voice and Data on its mobile broadband network, you have options for how and where you browse the web, access important documents, read email or keep track of all your appointments – all while on a call.

Complete solution for your business needs.

The robust 1 GHz Snapdragon processor and 12 GB of onboard memory let you easily store all the documents, pictures, music and videos you need.

Eyes wide.

With the cinematic 4.3-inch super LCD capacitive display, you'll view web pages, videos, apps and more in their full glory and enjoy ultra-fast, reliable touch performance.

Don't lose the moment.

The HTC Inspire's 8MP camera with auto focus and dual LED flash gives you sharp pictures as well as 720p HD video recording.

Get what you need.

The HTC Inspire runs Froyo, Google's Android™ 2.2 platform, bringing you great performance and speed for browsing media-rich websites with the built-in Adobe® Flash® Player. Plus, you can work and play all you need with access to tens of thousands of apps in Android Market™.

HTC Inspire 4G

Inspiration comes faster.

Sharpen your ears.

The HTC Inspire gives you high-fidelity sound for a richer listening and viewing experience with Dolby® Mobile + SRS WOW HD surround sound effects. Plus, with dual mics and noise cancellation, you'll hear and be heard, even in noisy environments.

Stay connected.

The next-generation HTC Sense platform adds new web-based enhancements through htc sense.com, including the ability to pinpoint the location of a lost phone on a map, send a command to make the phone sound an alert and remotely wipe all of the phone's data with a single command, in addition to forwarding calls and text messages to a different number.

Share your spot.

The HTC Inspire 4G includes Mobile Hotspot*** support, allowing you to share your connection with up to five devices (which includes your HTC Inspire 4G).

Go Google™.

With the Android platform, you can easily take advantage of Google mobile services, including YouTube™, Gmail™, Google Talk, Google Maps and more.

Explore the extras.

The HTC Inspire gives you access to almost 2MM eBooks, including newspapers and magazines with eReader®. Plus, you can enjoy movies via Blockbuster®, music, AT&T Navigator®, AT&T U-verse® Live TV™, Facebook®, Twitter™ and much more.

Rethink Possible

* 4G speeds delivered by HSPA+ with enhanced backhaul. Available in limited areas. Availability increasing with ongoing backhaul deployment. Requires 4G device and compatible data plan. Learn more at att.com/network.

** AT&T's mobile broadband coverage is not available in all areas.

*** Mobile Hotspots and Tethering require a DataPro 4 GB Plan. Devices connected to your Mobile Hotspot or by tethering use data from your DataPro 4 GB Plan. DataPro 4 GB Plans are not unlimited and significant charges may be incurred if the included data allowance is exceeded. Performance may vary depending on the number of devices connected and other factors. If you do not use a password, others will be able to use your Mobile Hotspot connection. For more details on Data Plans, go to att.com/dataplans.

† AT&T Navigator, AT&T U-verse Live TV, Hollywood movies (Blockbuster), and eBooks (eReader) require separate subscriptions.

†† AT&T U-verse Live TV requires compatible device, eligible data plan, and 3G service. Service not available in all areas. Programming subject to blackout restrictions. Download and watch capability available for select content, requires Wi-Fi connection and is available for viewing for limited time periods.

IMPORTANT INFORMATION: Limited-time offer. Device subject to availability. This device is sold for use on AT&T's wireless systems. It may not be compatible with other wireless systems. Network speed is no indication of the speed at which your device sends or receives data. Actual speeds depend on distance from cell site, network availability and traffic, device, applications, tasks, file size and other factors. Specifications subject to change. Up to \$36 activation fee applies. Certain benefits and service features may require you to purchase additional hardware and/or software, obtain a network connection and/or pay monthly access and/or per use charges. Subscriber must live and have a mailing address within AT&T's wireless owned network coverage area. Availability, speed of delivery and timeliness of information is not guaranteed. Terms of service will vary based on selected service plans. Other conditions and restrictions apply. See business/service agreement, rate plan brochures, terms of service, and coverage map(s) for details. Price and availability may vary by market and may not be available from independent retailers. **Early Termination Fee:** None if cancelled in the first 30 days, but up to \$35 restocking fee may apply to returns; thereafter up to \$325. Some agents impose additional fees. **Data Plan Requirement:** For IRU customers a DataPlus Personal Plan with MSC of \$15 or higher; or for CRU customers a DataPro Personal Plan with MSC of \$25 or higher or a DataPro Enterprise Plan with MSC of \$40 or higher. If you exceed your initial data allowance, you will automatically be charged an additional \$10 for each additional 1 GB provided on DataPro or an additional \$15 for each additional 200 MB provided on DataPlus. All data allowances, including overages, must be used in the billing period in which the allowance is provided. Access to corporate email, company intranet sites and business applications requires a DataPro Enterprise Plan. Certain information, applications, and other content is provided by independently owned and operated providers, who are subject to change at anytime. Third party providers may impose additional charges. Some features may require monthly access and/or per use charges. The GSM letter mark is a trademark of the GSM Association.
