

# Intelligently compact.

## HP Veer 4G

### A pocket-sized powerhouse.

HP Veer 4G\* has everything you're looking for in a smartphone – and more. It's powerful, fast and nimble, doing all the work you need in the least amount of space. Perfectly pocket-sized, the HP Veer 4G is attractive and easy to carry. It's also powered by HP webOS 2.2.x, giving you a whole new way to stay connected and accomplish more in and out of the office.

### Get to it.

The new HP Veer 4G takes smartphones to an even smarter level. While it's small enough to carry comfortably, it does not compromise power, speed or style.

- With a surprisingly large and vivid touchscreen in such a small package, you'll view documents, files and web pages more easily – all while using simple gestures to scroll, zoom and more.
- The 8 GB of storage and fast processor give you all the speed you need for quick uploading and downloading of files, music, pictures and more.
- Even though it's easy to hide in your pocket, the HP Veer 4G was built with style in mind, using premium materials. The sleeker, more attractive design truly stands out and simply feels better in your hand.

### Miss nothing.

With the new HP webOS, you'll take advantage of this next-generation operating system to work, play, socialize and much more.

- Take full Internet access with you on-the-go, with a full web experience, including Flash. Get fast access to all the information you need – when you need it.\*\*
- Don't wait to work. With the Just Type feature, simply start typing to begin an email, an IM, a Google™ search or almost any other activity.
- Keep communications open. Read and write personal or work email on-the-go and choose to view your work and personal inboxes together or separately. Plus, you'll receive messages and updates with subtle alerts.
- Keep track of everyone with more than messaging. You'll see IMs, texts and pictures from the same person all in one view.

### HP Veer 4G

Never before has a smartphone done so much and felt so little.

### Create your own experience.

The HP Veer 4G gives you access to thousands of apps in the HP App Catalog. Download exactly what you need to work, play and get more out of every day.†

- Stay up-to-date with colleagues, friends and the world at large with Facebook® and Twitter™. Tweet, update your status and upload photos and videos quickly and easily.
- With built-in GPS, the HP Veer 4G lets you take advantage of the latest in location-based apps. Get turn-by-turn directions, see the nearest restaurant or find your next customer appointment with apps like Google Maps™.††
- With the HP Veer 4G, you can keep working with multiple apps open at once. Easily switch back and forth between them whenever you need.

### See the possibilities.

Sometimes it's the extras that make the difference. The HP Veer 4G is ready to make work and life a little easier.

- Share your connection. The HP Veer 4G can double as a mobile hotspot. Share your Internet connection with up to five other Wi-Fi® enabled devices when you add DataPro™ 4 GB data plan.†††
- Be ready to roll. With the HP Touchstone Charging Dock (sold separately), you can place your HP Veer 4G on the dock and automatically charge it – with nothing to plug in.

\* 4G speeds delivered by HSPA+ with enhanced backhaul. Available in limited areas. Availability increasing with ongoing backhaul deployment. Learn more at att.com/network.

\*\* Within wireless coverage area only. Actual speeds may vary. Email, mobile number, and related information required for setup and activation. Required data plan sold separately. Not all web content may be available.

† Third-party software available separately. Within wireless coverage area only. Requires data services at additional cost.

†† Within wireless coverage area only. Voice-activated, as-you-go, turn-by-turn directions sold separately.

††† Mobile Hotspot: Requires a minimum \$45 a month DataPro 4 GB plan. Devices connected to your Mobile Hotspot use data from your DataPro 4 GB plan. Overage charges of \$10 per 1 GB provided apply if the included 4 GB monthly data allowance is exceeded. The number of devices you can connect depends on your device. Performance may vary depending on the number of devices connected and other factors. If you do not use a password, others will be able to use your Mobile Hotspot connection.

Rethink Possible

\* Mobile Hotspot: Requires a minimum \$45 a month DataPro 4 GB plan. Devices connected to your Mobile Hotspot use data from your DataPro 4 GB plan. Overage charges of \$10 per 1 GB provided apply if the included 4 GB monthly data allowance is exceeded. The number of devices you can connect depends on your device. Performance may vary depending on the number of devices connected and other factors. If you do not use a password, others will be able to use your Mobile Hotspot connection.

\*\* Within wireless coverage area only. Microsoft Exchange email and contacts available for ActiveSync only; requires Microsoft Outlook using Microsoft Exchange Server 2003 with SP2, Exchange Server 2007, or Exchange Server 2010.

† AT&T Navigator and other services require separate subscriptions.

**IMPORTANT INFORMATION:** Limited-time offer. Coverage not available in all areas. Two-year agreement, new activation, eligible voice plan and an eligible data plan may be required. Specifications subject to change. Up to \$36 activation fee applies. Certain benefits and service features may require you to purchase additional hardware and/or software, obtain a network connection and/or pay monthly access and/or per use charges. Subscriber must live and have a mailing address within AT&T's wireless owned network coverage area. See business/service agreement, rate plan brochures, terms of service, and coverage map(s) for details. Price and availability may vary by market and may not be available from independent retailers. **Early Termination Fee:** None if cancelled in the first 30 days, but up to \$35 restocking fee may apply to returns; thereafter up to \$325. Some agents impose additional fees. **Smartphone Data Plan Requirement:** For IRU customers a DataPlus Personal Plan with MSC of \$15 or higher; or for CRU customers a DataPro Personal Plan with MSC of \$25 or higher or a DataPro Enterprise Plan with MSC of \$40 or higher. If you exceed your initial data allowance, you will automatically be charged an additional \$10 for each additional 1 GB provided on DataPro or an additional \$15 for each additional 200 MB provided on DataPlus. All data allowances, including overages, must be used in the billing period in which the allowance is provided. Access to corporate email, company intranet sites and business applications requires a DataPro Enterprise Plan. The information contained herein is subject to change without notice.
