

# LG GU295

Push to Talk Camera Phone

Do you continually need to reach family members or colleagues at a moments notice? Great news, with LG GU295, you can! Instantly speak with up to 7 people with Push to Talk and you can even use *Bluetooth*® wireless technology to talk hands-free while on a PTT call. Get organized and stay in touch with conversation view text messaging that lets you see your messages in time order by contact. Want to send a picture or video along with your message? Capture life's most precious moments with the 1.3 MP camera and camcorder, then send away. While on the road, keep track of where you are and get the latest traffic updates with AT&T Navigator or rock out to your favorite tunes with AT&T Music. Instant connections means instant gratification — LG GU295 is the phone for you.

-  Push To Talk
-  *Bluetooth*® Connectivity
-  1.3 MP Camera & Camcorder
